

Central Point School District 6
Self-Medication Agreement
High School

Students who are developmentally and behaviorally able will be allowed to self-administer prescription and non-prescription medications, subject to the following:

1. A permission form must be submitted for all self-medication of all prescription and non-prescription medication.
2. All prescription and non-prescription medication must be kept in its appropriately labeled, original containers as follows:
 - Prescription labels must specify the name of the student, name of the medication, dosage, route, and frequency or time of administration and any other instructions
 - Non-prescription medications must have the student's name affixed to the original container.
3. The student may have in his/her possession only the amount needed for that school day.
4. **No sharing and/or borrowing of medication with another student. This is strictly prohibited and may be subject to discipline.**
5. Permission to self-medicate may be revoked if the student violates school district policy governing administration of non-injectable medications and/or these regulations. Additionally, students may be subject to discipline, up to and including expulsion, as appropriate.
6. **Schedule 2 medications, MUST be administered by school staff.** Please ask the pharmacy or call the district nurse (541) 494-6514, if you have questions regarding if your student has a schedule 2 medication. These generally included ADHD medications and narcotic pain medications.

I have read and agree to the above criteria and give permission for my child to carry his medication.
